

Can you put in the missing capital letters and full stops?

Don't forget a capital letter is needed for: the start of a sentence

someone's name e.g Annie

days, months of the year

places and countries

'I' is always capital

Copy out the sentences onto the line below and put in the capital letters and full stops.

the dog ran across the busy road because he saw a cat

---

my friend peter has a new puppy called rex

---

next july i am going on holiday with my family to butlins

---

last wednesday there was a terrible storm in london

---

on saturday i am going to ben's birthday party at splashdown

---
